

# Love and Logic

A WHOLE CHILD PHILOSOPHY DESIGNED TO HELP  
TEACH CHILDREN THROUGH RELATIONSHIPS  
BUILT ON LOVE AND TRUST

## WHAT IT IS

### 5 Core Principles:

Mutual dignity + respect  
Sincere empathy  
Shared thinking  
Shared control within limits  
Consistently focused on healthy relationships

Authoritative  
Formulaic  
Manipulative  
Insincere  
Anger  
Lectures  
Threats  
Warnings  
Used in an unsafe situation

## WHAT IT IS NOT

## THE ONE CAMP RULE:

Don't cause a problem.

## STRATEGIES

Enforceable statements

Let your yes be yes and let your no be  
yes, too!

"I notice . . ." statements

Neutralize arguing through creativity +  
humor

(1): Opportunity for the child to fix the  
problem.

(2): Provide the child with choices

(3): Send to leadership

(4): Happy for their return + clean slate  
every new day

## RECOVERY TIME

## REMEMBER:

Mutual respect + dignity  
We practice empathy  
We share the thinking + control (within limits)
